From the President

Dear Fellow Lawyers: At our Annual Service of Remembrance members of the Bar have traditionally spoke in tribute to our friends and colleagues who have died in the past year. Traditionally, there were large numbers of people in attendance at this ceremony which contributed to the solemnity, the dignity and the impressiveness of this event that always took place the first Short Calendar of December each year. It was an important event to attend as it was an opportunity for the members to come together as a community and show that we remember our friends and colleagues who shared our great profession with us.

Due to the COVID-19 Pandemic, it would be nearly impossible for safety reasons for this event to occur in person. Therefore, the board has met and this year we will be forwarding out written remembrance to all members.

Please look for this on your email at about the same time in December. If you know of any of our late colleagues whose name was omitted from the list above please call me at 860-887-4438, email me at costaandclark@att.net or contact Matt Berger, who has again assisted us this year in putting the Service together, at 860-444-1649 or matthew.berger@sbcglobal.net. Thank you all for your assistance and participation with this important event.
